1 Sailing

Making the most of our close proximity to the water, sailing is back and with the addition to our fleet of eight brand new Optimist dinghies we are now offering sailing from Grade 3 and above! The location of Ohana's beach club is just a few minutes bus trip from campus and an ideal setting at Pasir Ris Park for water activities. Students will learn nautical terminology, weather forecasting, the points of sail, how to rig up, launching and recovery and how to sail around various on water courses. There is a strong teamwork and cooperation element and students will develop resilience and responsibility as well as a sense of community spirit.
